Mission: Doha International School focuses on the individuality and uniqueness of each child. We provide an environment that allows each child to develop at his/her own pace and activities are planned that encourage self-confidence, curiosity, and self-discipline, as well as assisting in the development of the child's social and emotional health

Vision: To empower students to acquire, and value knowledge and skills that will support them as life-long learners.

Supervision Plan and Policy For Students Using Parent's Cars

The purpose of the plan:

Ensure the safety of students.

Supervisors:

Responsible person: Mr. Abdulla Awad

Members:

Mr. Ali (Security)

Mrs. Amani Mohsen (administrative assistant)

Note: There is only one gate for entry and exit of students

Morning supervision steps:

1. Parents Park their cars in designated and safe places for students to drop off.
- 2 - The guard receives the students and ensures their safety and entry to the school campus.
- 3- The students go to their classes, where there is a designated supervisor in each building to make sure that students reach their classes safely.
- 4- The responsible supervisor provides assistance and guidance to the students

Mission: Doha International School focuses on the individuality and uniqueness of each child. We provide an environment that allows each child to develop at his/her own pace and activities are planned that encourage self-confidence, curiosity, and self-discipline, as well as assisting in the development of the child's social and emotional health

Vision: To empower students to acquire, and value knowledge and skills that will support them as life-long learners.

Evening supervision steps:

- 1- The responsible supervisor who should be present in each building, will be contacted at the end of the working day and informed to bring the specified student.
- 2- The guard and supervisor at the school gate handle the student over to the guardian and ensure his\her safety.
